

Options and accessories available for specific products

CATEGORY	OPTION	PRODUCTS								Current code
		LS Series	IRM series	TG series	PV Edge series	Turbine controller	Battery charger	Automatic AC transfer switch	High speed automatic AC transfer switch	
Connections	Anderson connector plugs	A	A		S	A	A			A50/A175
Battery cables	Customised battery cable lengths	A	A			A	A			C#
Durability	Conformal-coating of circuit boards	A	A	S	A	A	A	A	A	G
Durability	Ruggedisation and vibration protection	A	A			A	A	A	A	R
Durability	Transformer potting (includes ruggedisation)	A	A							P
Durability	Extended operating temperature	A	A							T
GPOs	Rear-mounted GPO		A							C
GPOs	No GPO	A	A							N
Input voltage	Extended input voltage	A	A							F
International	International 60hz frequency models	S	S		A			A	A	H
International	International AC output voltages	A	A		A			A	A	V
International	International general power outlets	A	A							KJ
Safety	Residual current device	A	A							D
Transfer	Integrated contactor switch	A	A							K
Transfer	Integrated high speed automatic AC transfer switches	A	A							KX
Transfer	Inverter alarm contacts	A	A							L
Transfer	Transfer alarm contacts	A	A							O
Product	Automatic AC transfer switch (3-way 25A)									ACTS-3
Product	High speed automatic AC transfer switch (2-way 40A)									ACTS-40
Product	Turbine controller				A					TC
Product	Battery charger	A	A							DC
Product	kWh meter	A	A	A	A		A	A	A	KWH
Product	Energy meter	A	A	A	S		A	A	A	LM-80
Product	Outdoor enclosure				A					OE
